Adopted and Filed

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby amends Chapter 13, "Issuance of Teacher Licenses and Endorsements," Iowa Administrative Code.

This amendment is intended to clarify what constitutes a valid license for an individual seeking a Class B license. Class B licenses may not be issued to individuals who hold a substitute license or authorization, a statement of professional recognition, a career and technical license or endorsement, a behind-the-wheel authorization, or an intern license.

Notice of Intended Action was published in the Iowa Administrative Bulletin on February 23, 2011, as **ARC 9382B**. A public hearing on the amendment was held on Wednesday, March 16, 2011. No one attended the public hearing, and no written comments were received. This amendment is identical to that published under Notice.

This amendment is intended to implement Iowa Code chapter 272.

This amendment will become effective August 3, 2011.

The following amendment is adopted.

Amend subrule 13.11(1) as follows:

13.11(1) *Endorsement in progress.* The individual has a valid initial, standard, master educator, permanent professional, Class A (one-year extension of an initial, standard, or master educator), exchange, or professional service license and one or more endorsements but is seeking to obtain some other endorsement. A Class B license may be issued if requested by an employer and if the individual seeking to obtain some other endorsement has completed at least two-thirds of the requirements, or one-half of the content requirements in a state-designated shortage area, leading to completion of all requirements for the endorsement. A Class B license may not be issued for the driver's education endorsement.
